Happy Holiday to all our school staff, student and families! We wish you all a happy, safe and restful break.

'I believe this is a very important time for all of us to consider the place of religion and the role of the Church in the community and in society as a whole. It is no longer enough to simply participate in religious services, we need to become active participants in the life of the Church, not only in our parishes, but also in the wider community."

Media stereotypes of Islam have created suspicion, fear and division, yet Christians and Muslims share many beliefs, practices and values. In our present globalised society, we cannot afford to be ignorant about one fifth of the world’s population, including over 600,000 of our fellow Australians. We need accurate information about Islam and Muslims so that we can recognise truth from error, and transform suspicion into understanding, fear into friendship, and division into community. As Pope Francis said in Egypt in April this year: “What is needed today are peacemakers, and not fomenters of conflict; firefighters and not arsonists; preachers of reconciliation and not instigators of destruction.”

You are invited to hear special guest speaker Rev Dr Patrick McInerney present “Christian-Muslim Relations: Yesterday, Today and Tomorrow” in Mandurah on Tuesday October 24th, and Bunbury on Wednesday October 25th from 6-9pm. Please see the poster on your parish noticeboard for more information, or call Rebecca Ward on 9721 0518.
