About our School

Our Lady of the Cape Catholic Primary School in Dunsborough is a double stream, co-educational primary school catering for students from Kindergarten to Year 6.

We have a cohesive, dedicated and professional staff and a friendly, supportive school community. Our Lady of the Cape is well known for providing a pastoral environment in which to work and a rigorous and holistic approach to learning that engages and challenges our students. We seek quality educators who are committed to the Catholic ethos; who have a good sense of what it means to work as part of a 'team'; who are committed to teaching and learning and who are willing to help us continue building a creative, faith-filled, student-centred place of learning.

Each child's personal development and their learning progress is critically important to us and we work hard to ensure student needs are well met. The school promotes quality English and numeracy programs across all years. A range of specialist education programs also value-add to the learning experience, these include: Physical Education, Music, Indonesian and HASS. We have a strong pastoral education focus in the 'Making Jesus Real (MJR) way of life', which is incorporated into the day-to-day teaching and learning of the school environment. OLC has a focus on positive psychology and student well-being programs such as Friendology.

The model of schooling offered by the Our Lady of the Cape Catholic Primary School is underpinned by strong Gospel values and a close relationship exists between the school and parish, where a parish-based, school-supported sacramental model is well implemented.
